## Visioning Questionnaire for a Town Center | Town of Sahuarita

The Town of Sahuarita is continuing to implement recommendations from the Branding Initiative completed in 2016. As part of the Branding Initiative, the action plan recommended a visioning process for a Town Center and Plaza to become a community gathering place as well as enhance civic and economic development opportunities for the Town of Sahuarita.

Your input is important to the Town's ongoing efforts to develop the community's vision for Sahuarita's Town Center. Please answer the following questions about you and your household to help establish priorities for a future Town Center. This questionnaire will take about 5 minutes to complete. Thank you for your valuable input!
